

Mount Albert Sports Day

and Spring Fair

**PROCEEDS AT WORK IN YOUR COMMUNITY!
2008**

All funds raised stay in the Mount Albert Community!!!

This year, one of the key areas we are targeting a portion of the 2008 Sports Day funds for, is to run a **permanent waterline** within the park for an **outdoor family skating rink**, in the old basketball/tennis court area.

This past winter, a pilot project was run with help from the Mount Albert Fire Department and many volunteers. With the proper funds, we would like to make this a **permanent feature** in our Community to be enjoyed by many for years to come!

Another portion of these proceeds will be slotted to assist in a planned renovation of the outdoor washroom facilities in the community park.

For a full listing of where previous years funds have been put to work, check out the History page!
